

WE ENJOY **52** WEEKS EACH YEAR IN A BEAUTIFUL STATE CALLED OREGON.

FOR **1** OF THOSE WEEKS WE CAN ALL HELP PAY FOR THAT GIFT.

HELP KEEP OREGON BEAUTIFUL.
DONATE YOUR SMALL CHANGE TO SOLV
THE WEEK OF MARCH 24th.

FOR MORE INFORMATION, VISIT
WWW.SMALLCHANGEFOR SOLV.ORG.

Since 1997, SOLV has provided an estimated \$60 million in environmental restoration services for Oregon – including the annual Beach Cleanups. Because SOLV is not a state agency, it supports the demand for these services with private donations. As this demand increases, so does the necessary funding. It's for this very reason the SMALL CHANGE FOR SOLV campaign was created.

HOW YOU CAN PARTICIPATE:

- **DONATE SMALL CHANGE:** Collect small change in a recyclable container. During the week of March 24th, deposit it in the SOLV account at participating bank locations. For bank locations visit www.smallchangeforsolv.org.
- **ONLINE AUCTION:** During the week of March 24, visit any Clear Channel radio station website to bid on great prizes!
- **RADIOTHON:** Listen to KOOL FM 105.9 or AM 620 KPOJ on March 28, and donate your small change to SOLV.
